AGENDA

REGISTRATION / COFFEE / DRINKS OPENING REMARKS	8:00 AM
<i>Safety @ Six Sigma</i> Introduction for both management & front-line employees to the "Moments Model" which explains why we sometimes behave in ways that are inconsistent with our desires and ultimately result in mistakes, accidents and injuries.	8:30 AM Alex Eggleston
<i>Understanding Workers Compensation</i> Claiming worker's compensation is not limited to the accidents and injuries which occur in office premises. Important facts to know about the worker's compensation process.	9:45 AM Diana Stegall
<i>Coaching & Teamwork in Developing a Positive Safety Culture</i> Effective use of adult learning principles.	11:00 AM Rick Pollock
<i>Luncheon & Chapter Awards / Chapter Safety Professional of the Year</i>	12:00 PM
<i>Financial Aspects of Safety</i> This presentation will examine the financial aspects of safety and the process of making sound business decisions that will result in budgets sufficient to mitigate safety and health risks. Included in the course will be a review of current models available to analyze the value of safety and health investments.	1:00 PM Tom Cecich
<i>Betcha' Didn't Know – 10 Common Misconceptions of Employers & Employees</i> This presentation covers some of the most common issues that either managers and/or employees misunderstand or misinterpret from an HR perspective.	2:30 PM Trish Ridenour
