Member/Common Interest Group Spotlight

ASSE Leadership Conference Ronald McDonald House Drive

Thank you to everyone who donated items for the Ronald McDonald House care package drive to be assembled at this year’s Leadership Conference.

The goal was to create 200 care packages for families staying at the Ronald McDonald House in Winfield, IL. The care packages will make the families’ stay more comfortable while their children receive treatment at a nearby hospital.

By the end of the conference, there were 275 care packages, several boxes of additional toiletries and snack items, and $1,200 in cash donations.

Your contributions along with other ASSE members and Chapters was so overwhelming that the Winfield location will be able to share the supplies with several other Ronald McDonald Houses in the area.
